Who We Are

Founded with a passion for sports and a commitment to excellence, L lavish Outfit has been a leading provider of sports uniforms/ accessories and manufacturing services worldwide for 10 years. We understand the vital role that high-quality apparel plays in the performance and confidence of athletes, and we take great pride in delivering exceptional products that meet and exceed our client's expectations.

Our team consists of experienced designers, skilled technicians, and dedicated professionals who are united by their love for sports and their drive to create outstanding uniforms. We believe that every athlete and team deserves to showcase their unique identity through apparel and accessories that combines style, functionality, and durability.

From the initial concept to the final product, our manufacturing process is driven by innovation and meticulous attention to detail. We utilize state-of-the-art technology and premium materials to ensure that our uniforms not only look great but also enhance athletic performance. Our focus on quality control at every stage of production ensures that each garment meets the highest standards of craftsmanship.

One of our core strengths lies in our ability to provide customized solutions. We work closely with our clients to understand their specific needs and preferences, design elements into the uniforms. Whether it's a professional sports team, a school athletic program, or an amateur league, we are dedicated to delivering tailored solutions that reflect the unique identity of each client.

We are excited to continue pushing the boundaries of sports apparel manufacturing, setting new trends, and making a positive impact on the athletic community. Join us on this journey as we empower athletes and teams worldwide with superior-quality sports uniforms that inspire confidence, enhance performance, and foster team spirit.

Thank you for considering our brand for your sports apparel needs. We look forward to serving you and being a part of your athletic success!

CUSTOMIZE YOUR UNIFORM

Lavish Outfit: We provide our customers with the exciting option to personalize their uniforms through sublimation printing. This advanced technique enables the replication of any design and color on the fabric while maintaining its lightweight feel. Contact your trusted dealer right away to obtain more information.

Our Graphics Services: Our graphic team will be with you every step of the way as you select the design for your racing uniforms, paying attention to every detail. With our extensive experience in the sponsorship industry, we can provide you with top-quality garments that have a strong visual impact, effectively showcasing your sponsors and emphasizing your sense of team unity.

The Fabric: The selection of fabrics plays a crucial role in enhancing athletic performance. Lavish Outfit recognizes this importance and utilizes premium polyester materials that ensure optimal breathability by facilitating sweat evaporation.

The Print: Employing superior materials ensures an extraordinary print of utmost brilliance, possessing remarkable longevity. Through the process of sublimation, the ink pigments are encapsulated within polyester, preserving its distinctive attributes and weight without compromise.

Sublimation: Our sports brand takes pride in delivering the best in custom sublimation services. Here's what sets us apart:

Expert Design Team: Our skilled designers will work closely with you to bring your vision to life, creating custom designs that leave a lasting impression.

Top-Notch Materials: We use only the finest performance fabrics to ensure the utmost comfort, durability, and style.

Quick Turnaround: We understand the importance of timely delivery, and our efficient production process ensures you to get your custom uniforms right on schedule.

Uncompromising Quality: We never cut corners on quality. Your satisfaction is our priority, and we guarantee premium craftsmanship in every order.

FABRIC RANGE

POLYESTER

PROPERTIES:
Moisture-wicking capabilities. They are also eco-friendly and sustainable.

BAMBOO

PROPERTIES:
Moisture-wicking capabilities. They are also eco-friendly and sustainable.

NYLON

PROPERTIES:
Strength, flexibility, and quick-drying capabilities

COOLING

PROPERTIES:
Often use moisture-wicking properties combined with cooling sensations to keep athletes comfortable in hot conditions

LYCRA / SPANDEX

PROPERTIES:
Spandex or Lycra is a stretchy synthetic fiber that provides excellent elasticity and allows for freedom of movement

VENTILATED

PROPERTIES:
These fabrics feature strategically placed ventilation zones or mesh panels to enhance breathability and air flow

MESH

PROPERTIES:
Lightweight and breathable, making them suitable for areas where ventilation is needed

COMPRESSION

PROPERTIES:
Compression garments are designed to apply pressure to specific muscle, improving blood circulation and reducing muscle fatigue

DRI-FIT

PROPERTIES:
Moisture-wicking properties, and resistance to shrinking and wrinkling.

WATERPROOF

PROPERTIES:
Water-repellent fabrics have a coating that allows water to bead up and roll off the surface

COTTON

PROPERTIES:
Breathability and comfort are prioritized over technical performance

WATERPROOF

PROPERTIES:
A high-performance natural fiber known for its softness, moisture-wicking, and odor-resistant properties

MICROFIBER

PROPERTIES:
Lightweight, soft, and moisture-wicking

ANTIBACTERIAL

PROPERTIES:
These fabrics are treated with antibacterial agents to inhibit the growth of odor-causing bacteria

POLYAMIDE

PROPERTIES:
Strong and durable synthetic fabric, offers good moisture management, and dries quickly

ANTIBACTERIAL

PROPERTIES:
Natural fiber with excellent moisture-wicking properties, provides warmth without bulk, breathable, and odour-resistant

FABRICS

- 
100% POLY DRY FIT-Polyester with cone weave, breathes and facilitates the expulsion of humidity
- 
100% POLYESTER DRY STRONG- Breathable and wear-resistant polyester.
- 
100% POLY DRY STRONG PLUS - Polyester extremely resistant to wear and extreme stress.
- 
BI-Elastic Fiber- Polyester combined with elastane: breathable, resistant, bi-elastic
- 
100% POLYESTER STRONG AND SOFT - Strong polyester externally and fleece internally: the top for training, extremely comfortable
- 
100% POLYMESH - Polyester with perforated weave, resistant and breathable, strategically used in the points where body moisture is concentrated.
- 
100% POLYESTER MICROFIBER - MICROPEACH - Peach microfiber polyester
- 
100% POLYESTER BODY COATED DRY FIT - Dry fit microfiber polyester, moisture expelled!
- 
100% POLYESTER POLYTRICO-Polyester shiny externally and soft internally.
- 
100% POLYESTER PU COATED- Polyester coupled with PU, no water.
- 
100% NYLON PADDING, 100% POLYESTER - Polyester combined water, Warm Internal padding.
- 
100% POLYESTER DRY FIT, CHEMICAL THERMODRY - Chemically treated polyester to guarantee a second skin in cold or heat, dry inside, damp outside.
- 
100% POLYESTER PU COATED, PADDING 100% POLYESTER - Polyester coupled with PU, on water! Warm Internal padding
- 
100% COTTON - High quality cotton, soft and comfortable, gentle on the skin.
- 
COTTON & POLYESTER- soft and resistant to guarantee maximum comfort and durability over time.
- 
PP TUBE - Yarn made up of hundreds of 'Cave' microfibres that function as thermal insulation chambers between the skin and the outside
- 
POLYPROPYLENE- Coupled with Polyester, specially designed for the first time ever for the EYE sports swim wear line
- 
100% POLYESTER - Highly comfortable and resistant material, push inside, allows you to keep your muscles relaxed even in cold temperatures.
- 
100% POLYESTER - Comfortable material combined with total windproof protection
- 
85% POLYESTER-15% cotton- breathable and comfortable, keeps your body always dry
- 
86% POLYESTER - 14% ELASTANE - Specially designed to offer you maximum comfort and exceptional performance.
- 
100% POLYESTER - Specially designed to offer you maximum comfort and exceptional breathability
- 
100% POLYESTER - Resistant and breathable with checked texture, maximum comfort and freedom of movement.
- 
100% POLYESTER - the top polyester for free time, soft and comfortable, it is also suitable for training.
- 
COTTON-ELASTANE - Maximum comfort for a perfect fit.
